विषय -प्रधानमंत्री किसान सम्मान निधि योजना के फिजीकल वैरिफिकेशन के संबंध में ।

प्रधानमंत्री किसान सम्मान निधि योजना के तहत हितग्राहियों को कुल राशि रूपये 6000/- तीन समान किशतों में प्रदान किए जा रहे हैं। योजना मार्गदर्शिका की कंडिका 10.5 अनुसार 05 प्रतिशत हितग्राहियों का प्रतिवर्ष सत्यापन करने का प्रावधान है।

मध्यप्रदेश शासन, राजस्व विभाग के पत्र क्रमांक 208/F/सात-6/2024 दिनांक 01/10/2024 द्वारा पटवारियों को नियत ग्रामों हेतु VNO (Village Nodal Officer) नामांकित किया गया है। वर्ष 2022-23 हेतु 357825 एवं वर्ष 2023-24 हेतु 369843 हितग्राहियों का रेण्डम आधार पर सत्यापन हेतु पीएमकिसान पोर्टल पर चयन किया गया है। उक्त हितग्राहियों के फिजीकल वैरिफिकेशन VNO द्वारा किया जाना है, जिसकी SoP एवं पीपीटी आवश्यक कार्यवाही हेतु संलग्न प्रेषित है। हितग्राहियों के सत्यापन संलग्न SoP के अनुक्रम में निम्नानुसार कार्यवाही सुनिश्चित की जाये :-

1. VNO बनाने एवं ग्राम एसाईन करने एवं एक्टिवेशन कोड के साथ लॉगिन करने की प्रक्रिया पीपीटी में अंकित है।
2. VNO लॉगिन करने के उपरांत VNO Dashboard ऑप्शन पर क्लिक करेंगे।
3. इस स्क्रीन में सत्यापन हेतु डाटा का संक्षिप्त विवरण उपलब्ध होगा। जिसमें Pending physical verification पर क्लिक कर लंबित सत्यापन का डाटा उपलब्ध होगा।
4. इस स्क्रीन में ग्राम एवं वर्ष का चयन कर डाटा को फिल्टर किया जा सकता है।
5. हितग्राही के नाम पर क्लिक कर सत्यापन के ऑप्शन का चुनाव करें।
6. हितग्राही के मौके पर उपस्थित होने पर फेस रिकग्निशन के माध्यम से ई-केवायसी की कार्यवाही पूर्ण की जाएगी।
7. हितग्राही के मौके पर उपस्थित न होने पर नियत ऑप्शन का चुनाव कर सबमिट बटन पर क्लिक करने के उपरांत हितग्राही को ई-केवायसी की कार्यवाही पूर्ण करने हेतु एसएमएस प्रेषित होगा, तदुपरांत हितग्राही द्वारा ई-केवायसी (बायोमेट्रिक अथवा फेस रिकग्निशन द्वारा) की कार्यवाही पूर्ण करने पर सत्यापन की कार्यवाही पूर्ण होगी।
8. यदि हितग्राही अपात्र है, तो अपात्रता के कारण का चयन कर जानकारी अद्यतन की जाएगी।

9. VNO से प्राप्त हितग्राही अपात्रता का अनुमोदन जिला/तहसील लॉगिन द्वारा करने के बाद यह डाटा अंतिम रूप से पोर्टल पर अद्यतन होगा।

कृपया संलग्न फिजिकल वैरिफिकेशन हेतु सत्यापन की नियत प्रक्रिया का अवलोकन कर कार्यवाही पूर्ण करने का कष्ट करें, जिससे योजना की आगामी किश्त का लाभ प्राप्त करने में हितग्राही को कठिनाई न हो।

संलग्न-यथोपरि।

SoP for Physical Verification FY 2022-23 and FY 2023-24

PM Kisan SAMman Nidhi (PM-KISAN)

Department of Agriculture & Farmers' Welfare
Ministry of Agriculture & Farmers' Welfare
Government of India

Version Control

Version	Date	Change	Author
1.0	18-03-2024	Created	Saurav Siddhartha
2.0	12-07-2024	Amended	Saurav Siddhartha

Context

To provide financial support to all landholding farmers' families in the country having cultivable land, the Central Government has implemented a Central Sector Scheme, namely, "Pradhan Mantri Kisan Samman Nidhi (PM-KISAN)."

Under this scheme financial benefit of Rs. 6,000/- per year is transferred into the bank accounts of farmers' families across the country, subject to certain exclusion criteria relating to higher income status, through the Direct Benefit Transfer (DBT) mode. The amount is transferred in three equal instalments of Rs 2,000/- every four months, viz. April-July, August-November, and December-March each financial year.

Problem Statement:

The operational guidelines of the PM-KISAN scheme state that **"Efforts should be undertaken by State/UT Governments to ensure checking for around 5% of the beneficiary for the eligibility during the year."** It indicates that the States/UTs are required to physically check the random sample group of beneficiaries of the scheme each year. It is to ensure that the scheme does not include any fraud beneficiaries.

The physical verification process started in the scheme in the financial year 2020-21. In the first process, 5% random beneficiaries who received benefits in the given financial year are considered. For the physical verification in the financial year 2021-22, 10% random beneficiaries were considered.

The number of beneficiaries in the PM-KISAN scheme has grown by more than 21.4% Y-o-Y since the first instalment, which is a significant growth. With this much growth, the States/UTs have to ensure that no fraudulent activities are going on in the scheme. Therefore, there is a need to streamline the scope of physical verification.

Note: This SoP is for conducting physical verification for FY 2022-23 and FY 2023-24 by the States/UTs

Process:

For FY 2022-23 and FY 2023-24, the physical verification shall be conducted by Village Nodal Officers (VNOs) through the PM-KISAN mobile application under the PM-KISAN scheme.

The following are the specifics of the process that can be followed for conducting the beneficiaries' 5% annual physical verification:

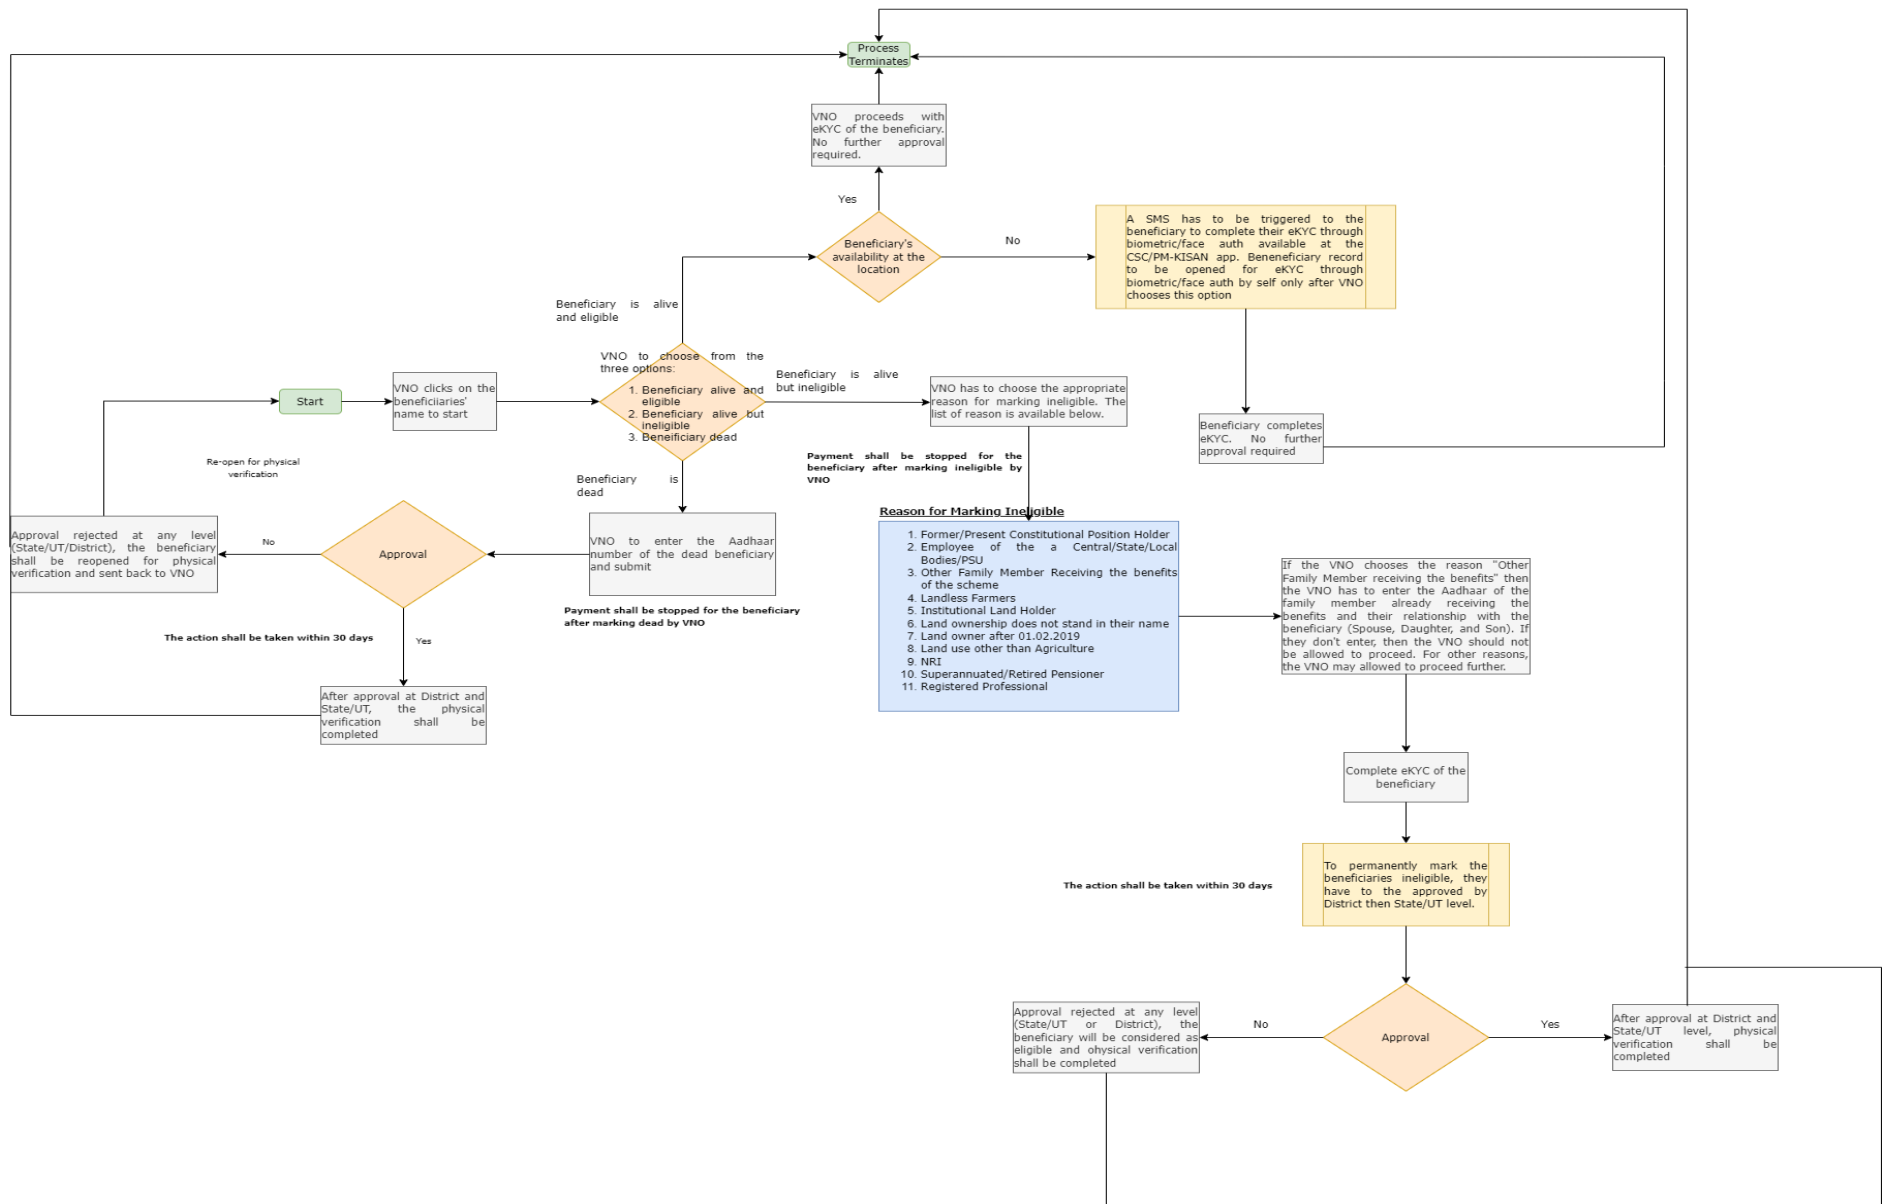

- a) List of beneficiaries under physical verification for specific villages to be made available for the VNOs in their mobile app login window.
- b) VNOs to be able to do face auth based eKYC of the beneficiaries under physical verification. Further, VNOs can continue and mark the beneficiary eligible/ineligible/dead.
- c) A report for monitoring the progress of the respective States-UTs/Districts/Sub-Districts/Blocks shall be generated on the portal.

Proposal:

- i. It is proposed that the physical verification for the financial year 2022-23 shall be carried out for 5% of randomly selected beneficiaries who received the benefit in FY 2022-23. And for the financial year 2023-24 shall also be carried out for 5% of randomly select beneficiaries who received the benefit in FY 2023-24. The beneficiary selected for the 5% physical should be the subset of the beneficiaries for whom the transaction was a success. The 5% random sample is only applicable for rural villages. And each village should be appropriately represented in the physical verification. For example, it would be preferred if 5% beneficiaries can be selected from all the villages except for a few exceptions where the number of beneficiaries may be very less (< 10).
- ii. It is to be ensured that the randomly selected beneficiaries opened for the physical verification do not fall under any exclusion criteria which includes income tax payee, pensioner, etc. as of date and the State/UT have not marked them ineligible or death case. Further, only such beneficiaries should be randomly selected for the physical verification who have not been opened for physical verification earlier.
- iii. It is to be ensured that the physical verification list opened for FY 2022-23 and FY 2023-24 are mutual exclusive. For example: If 8.11 Cr unique beneficiaries received the benefits in FY 2022-23, therefore around 40.55 lakh beneficiaries shall be opened for physical verification as per the criteria mentioned above. And similarly, 8.90 Cr unique beneficiaries received the benefits in FY 2023-24, therefore around 44.5 lakh beneficiaries shall be opened for physical verification as per the criteria mentioned above. There should be no overlap between 40.55 lakh and 44.5 lakh beneficiaries opened for verification in FY 2022-23 and FY 2023-24 respectively.
- iv. The States/UTs should be given a deadline to finish the activity as it is observed that the States/UTs still haven't finished the physical

verification for the financial year 2020-21 and 2021-22. The deadline is 31st July 2024

Process Flow:

Process for Physical Verification:

1. Initiation

- ▶ Start: Village Nodal Officer (VNO) clicks on the beneficiary's name in the PM-KISAN mobile application to start the verification process. The list of beneficiaries who are opened in physical verification shall be made available to the VNOs in their login in the PM-KISAN mobile application.

2. Verification Process

- ▶ The VNO shall be given three options to choose from. The list of options are as under:
 - i. Beneficiary is alive and eligible.
 - ii. Beneficiary is alive but ineligible.
 - iii. Beneficiary is dead.
- ▶ If the VNO chooses “Beneficiary is alive and eligible”, then they have to further choose from the below options:
 - i. Beneficiary is available at the location.
 - ii. Beneficiary is unavailable at the location.
- ▶ If the VNO chooses “Beneficiary is available at the location”, then, VNO proceeds with eKYC of the beneficiary and no further approval is required after completion of eKYC.
- ▶ If the VNO chooses “Beneficiary is unavailable at the location”, then, a SMS is triggered to the beneficiary to complete eKYC through biometric (available at CSCs/SSKs)/face auth. The beneficiary's record to be opened for self eKYC through biometric or face auth only after VNO chooses this option. If the beneficiary completes their eKYC, then their physical verification process shall be completed, and no further approval is required.
- ▶ If the VNO chooses “Beneficiary is alive but ineligible.”, then, they have to choose from the below mentioned appropriate reasons for marking the beneficiary ineligible:

Reasons for Marking Ineligible:

- i. Employee/Present Constitutional Position Holder
- ii. Employee of a Central/State/Local Bodies/PSU
- iii. Other Family Member Receiving the benefits
- iv. Landless Farmer
- v. Institutional Land Holder
- vi. Land ownership does not stand in their name as on 01.02.2019
- vii. Land owner after 01.02.2019
- viii. Other than Agriculture
- ix. NRI
- x. Superannuated/Retired Pensioner
- xi. Registered Professional

Specific Case:

If VNO chooses "Other Family Member Receiving the benefits", the VNO must enter the Aadhaar of the member already availing the benefits and the relationship of that beneficiary with the beneficiary opened in physical verification (Spouse, Minor Daughter, Minor Son, etc.).

After marking ineligible, the VNO has to complete the face auth based eKYC of the beneficiary to complete the physical verification process. In such cases the payment shall be stopped after the marking. Furthermore, such cases shall go for approval to the District (DNO), to the State/UT (SNO) for final approval. All the approvals have to be completed within 30 days. Additionally, if the record is rejected at any level (State/UT or District), then that beneficiary shall be considered at eligible and shall be processed as per the ineligibility revocation SoP.

- ▶ If the VNO chooses "Beneficiary is dead.", then the VNO has to enter the Aadhaar of the dead beneficiary opened in the physical verification. In such cases payment shall be stopped after the marking. Furthermore, such cases shall go for approval to the District (DNO), to the State/UT (SNO) for final approval. All the approvals have to be completed within 30 days. Additionally, if the record is rejected at any level (State/UT or District), then the beneficiary shall be reopened for physical verification and sent back to the VNO.

PM Kisan Physical Verification

1. VNO User Creation Process

Complete User Manual For VNO User

1. (डीएनओ / उप-जिला / ब्लॉक) के पास पीएम किसान मोबाइल एप्लिकेशन के लिए ग्राम स्तरीय नोडल अधिकारी यूजर बना सकेंगे।
जिसके लिए वेबसाइट पर जावे [➡ \(https://fw.pmkisan.gov.in\)](https://fw.pmkisan.gov.in) .
2. अपने यूजर से लॉगिन के बाद नीचे प्रदर्शित स्क्रीन दिखाई देगी

The screenshot displays the PM Kisan Samman Nidhi web portal. The header includes the logo and text: "PM Kisan Samman Nidhi", "Department of Agriculture and Farmers Welfare", "Ministry of Agriculture & Farmers Welfare", and "Government of India". The navigation bar contains several menu items: Direct Entry, XML Upload, Reports, Correction Module, Lists, RFT, FTO, PFMS Reports, User Management, Downloads, Grievance Management, Location Directory, and Localization. The main content area shows a welcome message for "Dr PmkisanState" and a list of functionalities available at PMKISAN behind login at various levels (State, District, Block). The "User Management" menu is expanded, showing options like Create User, Manage Role, Activate-Deactivate User, DSC Registration, Download DSC Signer Tool, Create VNO User (highlighted), User Modification History, List of All Users, Change User Admin, Contact Us, Update User, and Change Password. The right side of the page shows the current state and date: "State" and "07-Aug-2023", along with a "Logout" button.

The screenshot displays the PM Kisan Samman Nidhi web portal. At the top, the header includes the title "PM Kisan Samman Nidhi" and the text "Department of Agriculture and Farmers Welfare, Ministry of Agriculture & Farmers Welfare, Government of India". A navigation bar contains various menu items: Direct Entry, XML Upload, Reports, Correction Module, Lists, RFT, FTO, PFMS Reports, User Management, Downloads, Grievance Management, Location Directory, and Localization. A blue arrow labeled "1" points to the "User Management" menu item. Below the navigation bar, a dropdown menu is open, listing options: Create User, Manage Role, Activate-Deactivate User, DSC Registration, Download DSC Signer Tool, Create VNO User (highlighted), User Modification History, List of All Users, Change User Admin, Contact Us, Update User, and Change Password. A blue arrow labeled "2" points to the "Create VNO User" option. The main content area shows a welcome message for "Dr PmkisanState" and a list of functionalities available at PMKISAN behind login, such as User Management, New registration of Farmers, Bulk Uploading of List of Farmers, Approval of self-registered Farmers, Downloading of List of farmers for verification, Stop payment Activity, Freezing of List, RFT generation, RFT signing, and Downloading of payment Status.

3. ऊपर दिखाई गई स्क्रीन में “User Management ” पर क्लिक करने के बाद, “Create VNO User” पर क्लिक करें.
